

Dear Friends,

We met Gabriela about two years ago when she started attending our English conversation group. I (Luz) gave her a Bible last year after a few spiritual conversations we had together. In May, our team started offering the series “The Truth Project”, and even though it is designed for believers, we invited some of our friends who have shown some interest in spiritual matters. While some of those we thought would come did not, Gabriela has attended faithfully except for one meeting. We thought that the video we watched on that night was important and were sad Gabriela wasn’t there as we could tell she was searching for truth. On the next meeting, Gabriela asked Erica to borrow the video so she could watch it at home. Last week during the discussion Gabriela started by giving us a report of her impressions of the video she watched at home. In few words, she explained how she concluded that God is the Creator of the universe and that the video she watched answered the questions she had. Praise the Lord!!!! Gabriela has not decided to follow Christ yet, please pray God would continue working in her heart as we see He is obviously doing it already!

July 2017

Our team continues every week with the English chats. Erica does a great job preparing themes for discussion and organizing activities in the groups. These times provide opportunities for our team to meet people in natural ways. We have shared the gospel with them on many occasions and pray that the seed of the gospel will fall in good soil.

Praise & Prayer

- We praise God for His lovingkindness. His mercies are new every morning and his faithfulness is great!
- His care over our kids and that they keep choosing Him daily.
- Please pray for physical and emotional strength for us. These months have been difficult in many ways as we had endured losses and have seen how Satan has worked his schemes to stop God's work. Pray that we continue to be faithful to Him and to what He is calling us to day by day.

- Our teammate, Laurie, resigned ministry in Spain and is moving back to the US. Please pray for Erica and us as we continue ministry in Valladolid. Pray that God will help us to invest our resources wisely and in the meantime trust Him to do what we cannot do.

We bless the Lord for His work in our kids' lives and how they are choosing to follow Him. **Priscila** has two more weeks in Ecuador where she has been since May 9th visiting and reconnecting with her extended family and country. Priscila has been showered with our relatives' love and she has also had many opportunities to be a witness to some of our relatives that are not walking with God.

Rebeca has had a busy summer working at Eleos Coffee, now as part-time manager, and taking two summer classes. Even though this summer has not been a restful time for her, God has been confirming Rebeca in what she is doing. He has also provided a new Christian housemate as one of her former housemates got married last month.

Josue continues in his summer internship with eMi (Engineering Ministries International) in Colorado Springs. After a brief training, his team went to Kenya for two weeks to meet the people they would be teaming up with and the place for the project. The rest of the time his team has been designing the blue prints for an orphanage, school and clinic in Voi, Kenya. Opportunities like these help our kids test God as their Provider. They have seen it in our lives throughout our missionary career but now they can see it in their own lives!

God has provided for us to travel to Ecuador August 10-September 8. And to surprise us even more, He has provided for Rebeca and Josue to travel to Ecuador August 7-18! We are so happy that we will overlap some of our time with Rebeca and Josue, even though we will not be able to see Priscila as she will be returning to Chicago July 25th.

Thank you for your faithfulness in prayers and finances. God keeps showing His love and provision through you!
