Dear friends,

Greetings from Cuéllar!

We had a couple of busy weeks moving our belongings from Valladolid to Cuéllar and arranging our new place to live. This is a partial view of the old part of the town taken from the balcony of our apartment which is the top floor of the church building. The believers gave us a warm welcome and are happy to have us here. A member of the church said that we are the answer to her prayers. She went on to say that for years she and another woman from the church have been praying for a missionary to come to this town. When the church invited us to work with them, she knew God was answering her prayers! It is overwhelming to see how God has confirmed to us in different ways that He wants us here and in this time.

As with most towns in Spain, its people tend to be closed to the gospel and fearful of anything different than Catholicism. This makes it difficult to make contacts and to get to know people. Nevertheless, the Lord already opened a door for us. There is an old, beautiful church building which now holds a coffee shop and a fancy restaurant right in the center of the old town. One morning as we were doing some paperwork, we entered in this coffee shop, mostly out of curiosity to see the inside of this old church. We encountered a friendly waitress who immediately engaged us in conversation. He did not shy away when we told him that we are working with the evangelical church and he said that he and his Brazilian wife live not too far from where we live and that he would be more than happy to host our English conversation times in this fancy coffee shop in the center of Cuéllar! We are having our first meeting this Thursday at 8:30pm, 1:30pm CT. Please pray for a good start and open doors for the gospel in this town.

Thank you for standing with us as we start ministry in Cuéllar. Your faithfulness allows us to continue serving our Lord in Spain.

Praise & Prayer

- We thank the Lord for a good transition into Cuellar and for open doors to make new contacts.
- We thank the Lord for answering our need for a car. A friend of ours told us about a 2005 Toyota Corolla in very good condition and with only 80,157 miles for \$4,403! Our hearts are full of gratitude for the generous donations we received for the purchase of this car.
- Pray for Luz that God would give her peace and strength to be with her mom during this difficult time.
- Pray for José and Pili, the leaders of the congregation who are passing through a testing time with her non-believer father who is in and out of the hospital. Pray for strength and endurance and that they may be a good testimony.
